TOWN OF LINCOLN
TOWN BOARD MEETING
May 6, 2026

The meeting was called to order by Chairman Headson at 6:02 pm. Present were: Jason Headson, Lynne Black, Tressa Votis and Diane Dubey.

On a motion by Black, second by Votis and all in favor, the agenda for the evening was approved.

The pledge of allegiance was recited.

On a motion by Votis, second by Black and all in favor, the consent agenda was approved including minutes of the

- April 8, 2026 Minutes
- Vouchers/Payrolls with Additions

Jason stated that Potawatomi Trail is in need of major ditching and reconstruction repairs caused by the heavy rain storm. He added that he would send out for quotes. Discussion ensued. This item was tabled until after the Board completes an inspection of Town roads on May 13, 2026.

Jason informed the Board that the Wisconsin Town Association will be working with Congress to try to get more funding for towns for roadwork projects.
On a motion by Votis, second by Black and all in favor, the Wisconsin Town Association Road Resolution was approved.

Jason stated that Musson will be doing some road resurfacing work and is requesting utilizing the Town's pit for temporary storage of the millings. He added that the Town would be able use as much of the millings as needed for road repairs and that Musson would remove the remainder of the millings. He further stated that Musson asked if the Town would want dirt material, that they would be digging up with the project, to be added to the pit and they would dump it and then level it out.
On a motion by Votis, second by Black and all in favor, the request by Musson to temporarily store millings at the Town's pit was approved.

Lynn stated that she had Darren Walentowski repair broken gutter hangers and gutter seal work She then presented a proposal from Walentowski Construction for the installation of snow stops on the west and south facing roof area.
On a motion by Votis, second by Black and all in favor, the quote from Walentowski Construction to install roof snow guards was approved.

Jason informed the Board that rear fenders are needed on the loader. He stated the back window gets covered in road slop and salt causing safety issues. He further added that the quote from John Deer to purchase and install the fenders would be approximately $3075 but that Steve is willing to do the install work at a savings of $1000.
On a motion by Black, second by Votis and all in favor it was approved to purchase the rear fenders for the loader at a cost of approximately $2075.

On a motion by Votis, second by Black and all in favor, it was approved to keep the Liquor License rates the same as last year.

Jason stated that he did speak to someone about the Clerk/Treasurer position and that they may contact Tressa for more information. Discussion ensued regarding various staffing options or

scenarios. Lynn will be contacting the Wisconsin Towns Association for clarifications on what may or may not be allowed and will report back to the Board at the May 13, 2026 road inspection meeting.

Jason reported:
Pit Reclamation - Dave Kircher texted him saying there is still no survey. DNR wants it's modeling which requires a software program that he does not have. Will be contacting Wickwire for pricing and to see if they would drop initial costs if he does most of the work.
WDF application – Application has been submitted in the amount of 10,142.23. Town should get approximately $7100.
1-ton Truck – Four injectors needed to be replaced and more repairs can be expected in the next year or two.

Diane presented the treasurer's report.

Correspondence: None

Citizen's Comments: None.
